## TOURNAMENT

14. Participating teams are divided in 3 groups of 6 teams.
15. The Belgian and foreign teams are distributed equally over the two groups.
16. Each team plays 3 games in its group.
17. Games of the first group round will be drawn at random.
18. After each round a preliminary ranking will be made. The next game will be played based on the ranking 1-2, 3-4, 5-6.
19. If two teams have already played each other, the next team in the ranking will be the opponent. This system will be used until a schedule arises in which none of the teams have played each other before.
20. Winning earns 3 points, a draw is 1 point, a loss is 0.
21. After 3 rounds a ranking is made. Ranking will be decided according to these criteria:
  1. points
  2. result head-to-head game
  3. ends won
  4. stones made
  5. difference won and lost ends
  6. difference stones for and against.
22. If there is still a tie between two teams, every team plays 2 drawshots. The two shots are measured and summed. The team who has the shortest distance, wins.
23. The winner in each group after three games continues in the semi finals.
24. There is also a general ranking for games 1 to 3 from each team, based on the criteria, described in 21. The team that is no group winner and has the highest ranking, will also play in the semi finals.
25. The other teams are playing one more ranking game (5-6,7-8,9-10,11-12,13-14,15-16,17-18). If two teams have already played each other, the next team in the ranking will be the opponent. This system will be used until a schedule arises in which none of the teams have played each other before.
26. After the ranking games, a new general ranking will be made for places 5-18.
27. The semi final is determined by the general ranking. The first team faces the lowest team on the ranking.

Each game in the final stage is played with immediate elimination. If the game ends with a draw. The teams play an extra end. If after that it 's still a draw, the team with the highest general ranking wins the game.
